

Here comes the sun
The Beatles
written by George Harrison

Here comes the sun
Here comes the sun
And I say
It's all right

Little darling
It's been a long cold lonely winter
Little darling It feels like years
since it's been here

Here comes the sun
Here comes the sun
And I say
It's all right

Little darling
The smiles returning to the faces
Little darling
It seems like years since it's been here

Here comes the sun
Here comes the sun
And I say
It's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling
I feel that ice is slowly melting
Little darling
It seems like years since it's been clear

Here comes the sun
Here comes the sun
And I say
It's all right

Here comes the sun
Here comes the sun
It's all right
It's all right
