

LET'S PRACTICE

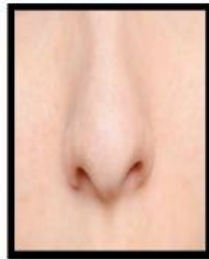

1. Choose the sense that best represents each group of pictures.

2. Choose TRUE or FALSE.

- You use your **EARS** to taste a cake
- You use your **NOSE** to smell the food
- You use your **EYES** to watch TV
- You use your **SKIN** to hear music
- You use your **TONGUE** to taste an apple

3. Match the organs with their corresponding sense.
