

You're all wet and your clothes are, too. to drive a motorcycle in the rain	My school books are open but I'm not looking at them. I'm playing computer games. to study
Your hands are covered in dirt and so are the knees of your jeans. to plant flowers in the garden	My friend told me all about her day but I don't remember anything. She's mad at me. to listen
You are in a great mood and you have trouble hearing. to listen to loud music at a rock concert	You are really good at the guitar and everyone is impressed. to play the guitar for years
You keep talking about magic! to read Harry Potter books (or watch the movies)	You are a very talented soccer player and play for the national team. to play soccer all your life
You are wearing workout clothes and are sweating. to run	My English is really good and I feel confident. to study English and practise a lot
You keep humming classical music. to play the piano a lot recently	I have enough money now to buy a new house.
You dance around the house.	I have a terrible sunburn!
I often feel sick and I have gained weight.	You look tired.
You have grease under your fingernails.	You are a child and you have paint on your hands and all over your clothes.
