

# *Mystery Solved*

## WORKSHEET

### 1. COMPLETE

Choose the correct word from the list

Aggressive - case - clue - mystery - theories - twist - uncovered

Once upon a time in England, a serial killer terrorized the streets of London. Every night this demonic killer mutilated an innocent person with no mercy. This occurred during years and the local police had no \_\_\_\_\_ who could've made such a horrible crimes. London citizen were too afraid that nobody stayed outside after 7:00 pm this, to avoid being mutilated by this \_\_\_\_\_ killer.

Today, it is still a \_\_\_\_\_ who killed more than 100 people in London mutilating their bodies, however, there are a lot of \_\_\_\_\_ about the \_\_\_\_\_. One theory is that it was an influential man from the government, this would explain why the case was never \_\_\_\_\_, if this theory comes up to be true it'd be an incredible \_\_\_\_\_ that would change a lot of beliefs about the mystery of the serial killer of London.

### 2. WRITE

Make a short story about a mystery

### 2. CHOOSE

Choose the correct word
