

## "Payphone" By Maroon 5

Oh, you turned your back on tomorrow  
'Cause you forgot yesterday.  
I gave you my love to borrow,  
But you just gave it away.

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone? Baby, it's all wrong  
Where are the plans we made for two?

You say it's too late to make it,  
But is it too late to try?  
And in our time that you wasted  
All of our bridges burned down

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone? Baby, it's all wrong  
Where are the plans we made for two?

If "Happy Ever After" did exist,  
I would still be holding you like this  
All those fairy tales are full of it.  
One more stupid love song, I'll be sick

I've wasted my nights,  
You turned out the lights  
Now I'm paralyzed.  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise.

Yeah, I, I know it's hard to remember  
The people we used to be...  
It's even harder to picture,  
That you're not here next to me.

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone? Baby, it's all wrong  
Where are the plans we made for two?

I've wasted my nights,  
You turned out the lights  
Now I'm paralyzed.  
Still stuck in that time  
When we called it love  
But even the sun sets in paradise

If "Happy Ever After" did exist,  
I would still be holding you like this  
All those fairy tales are full of it.  
One more stupid love song, I'll be sick  
Now I'm at a payphone

You can't expect me to be fine,  
I don't expect you to care  
I know I've said it before  
But all of our bridges burned down.

I'm at a payphone trying to call home  
All of my change I spent on you  
Where have the times gone? Baby, it's all wrong  
Where are the plans we made for two?

Yeah, yeah, now baby don't hang up,  
So I can tell you what you need to know,  
Baby I'm begging you just please don't go,  
So I can tell you what you need to know

If "Happy Ever After" did exist,  
I would still be holding you like this  
All those fairy tales are full of it.  
One more stupid love song, I'll be sick  
Now I'm at a payphone

1. Listen to the song and number the stanzas (from 1 to 14) in the correct order.
2. Identify the structure *To + verb*.
