FICTIONAL JOURNAL ENTRY 1: SILVIO'S JOURNAL

Wednesday, 11th November, 1960

Yesterday was awful. **First**, some guys at my school stole my lunch money in the morning. **After that**, they pushed me into the bushes and **then** they kicked me to the floor. Some of my classmates laughed at me **because** I was really dirty, and they made fun of my facial paralysis.

Other classmates only looked at what happened.

I felt so angry that I wanted to scream! I became violent.

By the end of the day, I was just sad and felt lonely. I don't know what to do.

Silvio

FICTIONAL JOURNAL ENTRY 2: WENDY'S JOURNAL

Thursday, 10th October, 2010

Today was not a good day for me. **First of all**, at school no one picked me to be in their group for the Science project, so I had to work alone again.

Then, some girls in my neighbourhood started to call me names and said horrible things about my skin. My friend Nicky was there, but she didn't say anything. These girls also spread rumours about me. I felt so ashamed!

Finally, I went home and I cried all alone. When I got home, I was so angry that I locked myself in my room and didn't talk to anyone.

I don't like to feel angry and alone. It just isn't me. Sometimes I don't want to go school because I feel ignored and lonely.

Wendy

2.1. Complete the chart using the information in the journal entries. Follow the example:

	Who felt as victims?	How did he/ she feel at the end of the day?	Who were the bullies?	Were there bystanders?	Who were the bystanders?
Example: Fictional journal entry 1	Silvio	He felt angry, sad and lonely.	Some guys at school.	Yes.	Other classmates.
Fictional journal entry 2	1.	2.	3.	4.	5.

REFLEXIONEMOS:

3. **GRAMMAR:** Now complete the sentences with the correct conjugation of the verbs in parentheses.

No olvides que, al usar el pasado negativo, el verbo ya no cambia, sino que va en su forma simple.

Ahora continuemos con las palabras de secuencia en inglés:

4. **SEQUENCE WORDS:** Put the following sequence words in the correct box. Use a dictionary.

SEQUENCE WORDS

then - finally - later - next - after that - ~~first~~ - by the end of the day - first of all
