

The second someone you were all alone
I could feel the trouble through your
Now I know, it's got a hold
Just a phone call left unanswered, had me
These cigarettes won't stop me wondering where you are
Don't let go,

CHORUS

**If you look into the distance, there's a house upon the hill
Guiding like a lighthouse to a place where you'll be
Safe to feel our grace 'cause we've all made mistakes
If you've lost your way**

**I will leave the light on
I will leave the light on
I will leave the light on
I will leave the light on**

Tell me what's been happening, what's been
Lately you've been for a darker place
To hide, that's alright
But if you abusing, you'll be robbed from us
I refuse to lose another friend to drugs
Just, don't let go
If you look into the distance, there's a house upon the hill
Guiding like a lighthouse, it's a place where you'll be
Safe to feel our grace and if you've lost your way

If you've lost your way (I will leave the light on)
And I know you're down and out now, but I need you to
Hiding from the truth ain't gonna make this all okay
I see your, if you don't feel our
And you've lost
I will leave the light on
I will leave the light on
'Cause I will leave the light on
