B. Read and put the recipe for baked potatoes in order. Then listen and check your answers. (1)

PREPARATION

- Mix the tuna, mayonnaise and corn.
- Take some large potatoes and wash them well.
- Add the topping to the potatoes.
- Bake the potatoes for 1.5-2 hours.
- Take the potatoes out of the oven and cut them open.

Put butter or oil on the potatoes and put them in aluminium foil.

Add some salt.

Make holes in them with a fork.

TIPS

- Use a fork to see when the potatoes are ready.
- Keep the potatoes warm in the oven while you make the topping.
