COMMUNITY

Read the following explanation text and answer the questions

What is a **community**? In the dictionary you will find different meanings. One meaning is that a community is a group of people who live in the same area. Another meaning is a group of people who have the same interests or who are the same in some way.

All communities have things in common. Communities try to give people a good quality of life. They do this by having a **justice** system. The justice system makes laws that protect people. This keeps them **safe** and **secure**. Schools support the children of the community by educating them. Access to sports clubs and entertainment such as theatre and drama also keep community members happy. As a result of these things, people **develop** a sense of **pride** in their community.

In the United Arab Emirates many people are a part of the community. People **celebrate** national holidays with traditional dancing and food. They think about the meaning of their flag and show great respect for the leaders of the country. This patriotic community celebrates how the country has grown. It also shares excitement in how the nation will develop.

We are part of the community we live in. If we attend school, we are part of the school community. We may become part of the arts community if we belong to a theatre, music or art group.
