will and be going to for predictions

- 2 Complete the text with the correct forms of *will* or *be going to* and the verbs below.

be be cost get see

Mum and Dad are planning a family trip to Puerto Madryn because it's the best place to see whales! I've read all about it and it ¹ is going to be amazing. The best time to go whale watching is between June and December. We're going in August, so we ² some whales. Some whale populations have fallen in recent years, and scientists predict the situation ³ worse. I hope it doesn't. After whale watching, we want to travel around for a few days. The weather report says it ⁴ quite cold at that time of year! I think we should camp, but Mum thinks it ⁵ too cold. She wants to stay in hotels! But Dad says hotels ⁶ too much. I don't mind. I just want to see some whales!

Geographical features

- 1 Match 1-9 to a-i to make geographical features. Then complete the sentences A-I and choose the correct words.

- | | |
