HELLO -ADELE

Listen to the song and complete with the following:

I've done - I've forgotten - us - I've tried - me

Hello, it's me
I was wondering if after all these years you'd like to meet
To go over everything
They say that time's supposed to heal you
But I ain't done much healing

Hello, can you hear ____?
I'm in California dreaming about who we used to be
When we were younger and free
I _____how it felt before the world fell at our feet

There's such a difference between ____
And a million miles

Chorus
Hello from the other side
I must've called a thousand times
To tell you I'm sorry
For everything that_____
But when I call you never
Seem to be home
Hello from the outside
At least I can say that_____
To tell you I'm sorry
For breaking your heart
But it don't matter, it clearly
Doesn't tear you apart anymore

Hello, how are you?
It's so typical of me to talk about myself, I'm sorry
I hope that you're well
Did you ever make it out of that town
Where nothing ever happened?

It's no secret
That the both of us
Are running out of time

Chorus x2
