Cradles

Sub Urban

Number the lines (1 - 4)

My world's so bright
I love everything
Fire spreading all around my room
It's hard to breathe but that's alright
Hush. Shh

Number the lines (1 - 6)

I live inside my own world of make - believe
Tape my eyes open to force reality
Some days I feel skinnier than all the other days
Why can't you just let me eat my weight in glee?
And some days I can't tell if my body belongs to me
Kids screaming in their cradles, profanities.
