Hello, my name is Lucy Brown. I have two brothers, Bruno and Victor, we go to school by bus every day from Monday to Friday. My father is Alfred Brown. He usually gets up at four o'clock in the morning. He drinks a cup of coffee and then he starts to work. He walks to work. He milks the cows. There are eighty-two cows on the farm. When he finishes he comes back home to have lunch. Then he goes around the farm on his motorbike to check the animals and the fields. In the afternoon he milks the cows again and then he comes home to take a shower and have dinner. He goes to bed at nine o'clock p.m.
