Cottage for sale in Canada

Address: () Montreal QC
Property type: House for sale ($270 000)
Rooms: three bedrooms and one bathroom
Available: now
Features:
Description: Very beautiful 4 season's cottage on a 51.600 ft2 land. Newly built (year 2004) and typically white pine cottage (Bondu houses) combines the charm and authenticity of yesterday to the comfort of tomorrow, without counting the well-being to live in a healthy house. Access to the lake (waterfront). Situated on the peninsula of lake Paquet, surrounded by a peaceful forest. 2 hours from Montreal Trudeau Airport and Montreal city, in the heart of Laurentides (city of L'Annonciation-Riviere Rouge). Surface ~1722 ft2 (2 floors): 3 bedrooms, 1 bathroom, 1 living-room – kitchen, basement. Alarm equipped.

Answer the following questions:

1) Is the cottage available for sale?
2) How many rooms has it got?
3) Why is the cottage quiet?
4) Where is it located?
5) Does it have access to the lake?

Say if these sentences are **T**rue or **F**alse.

1) The cottage has got four bedrooms and a bathroom
2) It doesn't have an alarm
3) It is situated in Montreal Trudeau Airport
4) It has got a kitchen
5) It isn't an old cottage
