

Take the following information and write it into a sequence, or step order.

WASHING HANDS

First, turn on the water. Make sure it is not too hot or too cold. When the water is ready, put some soap onto your hands. Rub your hands together. Make sure the soap gets everywhere. Rub between fingers.

Rinse your hands well and use a clean towel to dry.

Now look the sentences that have been taken from the paragraph. Place them into the correct order by dragging them next to the correct number.
