will for the future

4 ** Complete the texts with the verbs and *will*.

take go be arrive look have

Where will you go for your next holiday – Spain, Florida? Many people believe that soon we
1 will go on holidays in space. A Spanish company has got plans to build a hotel there.

The hotel 2 like a huge bicycle wheel, but inside it 3 a normal hotel with restaurants, a cinema and things like that. It 4 a hundred bedrooms. The hotel 5 about two years to build. The company believes that the first tourists 6 at the space hotel in less than ten years from now.

have travel be cost carry take off

At first, people 7 to and from the hotel in small spaceships. So holidays at the hotel 8 expensive. A three-day holiday 9 about £2 million. In the future, we 10 larger spaceships. They 11 about fifty people. The new spaceships 12 and land at airports like normal planes.
