

Student's name:

2nd Term - Classwork #2: When's your birthday?

En nuestra última clase aprendimos los meses del año. Repasemos mediante un juego siguiendo este link:

<https://es.educaplay.com/recursos-educativos/5316091-lets-find-the-month.html>

En esta clase aprenderemos junto a la Señora Craig y a los personajes de nuestro libro como se pregunta cuando es tu cumpleaños en inglés.

A) Leemos la conversación y respondemos Verdadero/Falso.

Read and choose T (true) or F (false)

1. Teacher: "Where is June on the calendar?" Student: "Here!"

January	February	March
April	May	June
July	August	September
October	November	December

2. Teacher: "How many months are there in a year?" Student: "There are 11!"

January	February	March	April	May	June
July	August	September	October	November	December

3. Teacher: $3+3+3+3=$ Student: "There are 12!"

4. Teacher: "When's Christmas?" Student: "It's in December."

May	June
August	September
November	December

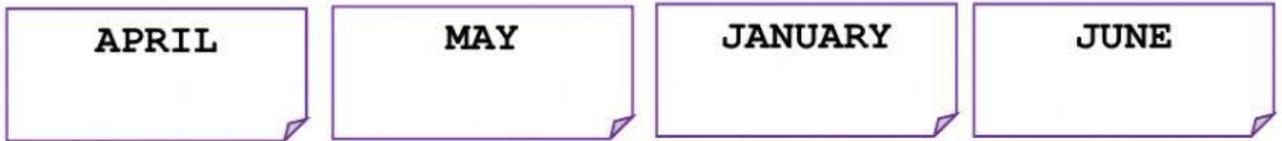

5. Teacher: "When's your birthday?" Student: "It's in June!"

6. Teacher: "When's your birthday, Ms Craig?" Student: "It's today!" Teacher: "There are 6 birthdays in June!"

- a. There are 11 months in the year. (There are=Hay)
- b. Christmas is in December. (Christmas=Navidad)
- c. The children's birthday are in August. (Children=niños)
- d. Ms Craig's birthday is in June. (Ms Craig's birthday=El cumpleaños de la señorita Craig)
- e. There are 2 birthdays in June.

B) Ben está escribiendo en el calendario los cumpleaños de los miembros de su familia. Lisa lo esta ayudando. Escucha la conversación y completa el calendario arrastrando los meses a su lugar correcto.

Listen and match

Four calendar cards, each with a character's face in a circular frame. From left to right: Lisa (purple rabbit), Auntie (purple rabbit), Grandpa (grey rabbit), and Grandma (elf). Each card has a row of small circles at the top, representing days of the month.

Below each card is a label in a rounded rectangle: LISA, AUNTIE, GRANDPA, and GRANDMA.
