PRESENT SIMPLE & ADVERBS OF FREQUENCY

(a) Read the following story and put the verbs in the correct form (Present Simple):

Students at Collingwood school **usually** (1).....(collect) non-biological waste. They **often** (2)(stuff) it into plastic bottles. Julia (3)(want) to create reusable building blocks. These building blocks(4).....(BE) called ecobricks. Students (5).....(think) these ecobricks can be useful to create furniture for the school. This project can help to reduce the amount of plastics in our environment. Pedro, Julia's father, **sometimes** (6).....(build) furniture, walls and even entire buildings with ecobricks. Pedro **always** (7).....(go) to Julia's school. All Julia's classmates at Collingwood School (8)(see) her father's furniture and they (9).....(decide) to do a project to create a couch for the school. They (8).....(think) they need 157 ecobricks to build a couch. That's a lot of plastic!
