Fashion Stuff

Cool Stuff

Are you into fashion? Teens can sometimes be obsessed with the way they look. In this month's edition, **Cool Stuff** asked three readers to talk about the way they dress.

What about YOU? Write to us and let us know how you feel about fashion!

Juliette, 15 Phoenix, Arizona I don't really care about clothes. I just like my clothes to be practical and comfortable. My mom sometimes buys me clothes that she thinks will make me "look like a girl", but I just give them to my friends.	Johanna, 14 New York, NY I don't care about clothes very much, but I must confess I am really obsessed with shoes. I think I have more than 50 pairs! Some were really expensive, others are not very comfortable and I have five or six pairs that are completely out of fashion, but I don't care. I think they're all beautiful!	Susie, 14 Columbus, Ohio I like wearing clothes that are the latest fashion and I can spend more than \$200 on a dress or a pair of sunglasses, but I'm not really obsessed with that. When I don't have money I just look for things on sale.
