OUR NEW SKATE PARK

by Jack Fletcher

Is there a great skatepark in your town? We now got the
fantastic skatepark ever, and it's all because of my friends and me!

Our old skatepark was full with broken equipment so non of us ever
went there. But we all agreed that we had a better
skatepark in our town, we'd use it. And teenagers might come
..... other towns to join us, too.

So I set up an online questionnaire to find out local people
wanted. I asked them whether we should improve our old skate park
..... build a completely new one. People voted to build a new
one.

Then we held some events to get money to pay for it. In the end we
collected half of the cost, and the local council paid the rest. It
..... be finally finished last month. So, come and try it -you'll
have a great fun!
