

A strange rumor has persisted that Paul McCartney died in 1966. The story of Paul's death is anlegend. It suggests that after a with other members of The Beatles, McCartneyoff in his car and died in a crash. It is said that The Beatles clues into the songs of Abbey Road to bring news to their fans.

The rumors of Paul's death started in articles by American for their school newspapers. Some of them say that if you play a part of the album Revolution 99, you can hear repeatedly "Turn me on Dead Man".

Fred Labour from Michigan University wrote an..... He analyzed the Abbey Road album cover..... and concluded it was a funeral..... He said that in white John was the Holy man, Ringo ,dressed in black, the undertaker, George , looking as a man, was the gravedigger. Paul, who was....., was the corpse.

Some fans said he must have died and been replaced with a In fact, The Beatles had not.....in front of an audience since August 29, 1966.

Paul McCartney has also laughed at this rumor. He released an album called "Paul is Live". Some newspapers have also written Paul's Something no one can argue is that The Beatles had a great sense of
