A

1 Andy is slim and he's got fair hair. I think he looks like David Beckham, the British footballer. Isn't he an amazing look-alike?!

B

2 Heather and Victoria Williams are twins and I think they look like the singer Leona Lewis. Leona's more famous than Heather and Victoria, but they've got her face and long curly hair.

3 My dad Mark is 45. He was a good dancer when he was younger, and now he can breakdance! Of course, George Sampson is a better dancer, but my dad is the best dancer in town!

Don't be silly! Beckham hasn't got that hairstyle now! Andy is younger and shorter than Beckham. He wears glasses and is well-built. Beckham is tall and slimmer than Andy. And he's more handsome!

Leona's got darker hair than Heather and Victoria. Their hair is shorter and curlier, too.

Heather and Victoria are beautiful but I think Leona's more beautiful than them!
