Sarah

I always get up at seven thirty – on school days and weekends! I usually take a shower, then I have breakfast at eight o'clock. I go to school by bus. School starts at nine o'clock. In the mornings, we study English, math, and science. I always have lunch at school with my friends. In the afternoon, lessons start at two o'clock. We go home at four fifteen.

Karen

On Sundays I get up at about nine o'clock. On the other six days of the week, I get up at seven o'clock. We have school on Saturdays! It's terrible! My dad drives me to school. My favourite lessons are P.E. and music. I always play tennis in the afternoon after school. Then I go home, and I have dinner at seven o'clock. After dinner I take a shower and do my homework.

Dear Marta

Thank you for your letter and the photos of your town. Munich is bigger than my home town and I'm sure it is more exciting. Do you like it? I live in a small town called Stromness on an island in the north of Scotland. There aren't many people and life is very quiet here, but I like it. There's a busy harbour with lots of fishing boats. The coast is very beautiful with lovely beaches and interesting sea birds. I don't like winter. The days are very short and the sky is always cloudy. We have to stay indoors a lot. When the weather is very bad, people can't leave the island.

I like summer and my favourite month is June. Next July, I'm going to stay with my aunt in Edinburgh for the Edinburgh Festival. It's the biggest festival in Britain and lots of famous actors and musicians come.

Why don't you come to Edinburgh for a few days for the festival? My aunt says that you can stay with her too.

Write soon and tell me

Mike
