

1. Listen and number the animals:

2. Read and match:

- | | |
|--|-------------------|
| <p>1 It's small and brown.
It's got two wings.</p> | <p>(a) hen</p> |
| <p>2 It's big and it's got a long, thin tail.
It hasn't got hair on the head.
It can't run fast.</p> | <p>(b) turkey</p> |
| <p>3 It's got two legs and two wings.
It's got a tail.
It isn't a hen and it isn't a duck!</p> | <p>(c) cow</p> |

3. Read. Then look and match:

- 1 What's that? It's a goat.
- 2 What are those? They're skunks.
- 3 What are these? They're owls.
- 4 What's this? It's a hen.
- 5 What's that? It's a frog.
- 6 What's this? It's a bat.
