“A family photo of Fiestas Patrias”

This is a picture of my family celebrating Fiestas Patrias in my granparents' house in the countryside near Linares. My mom is preparing salads with lettuce, avocado and tomato. My grandma is listening to Mapuche music because she likes the kultun. My dad is walking and looking for wood to cook the asado. My sister Ana and me are trying to fly a kite but the wind is not blowing. My grandpa is eating an empanada and drinking a glass of red wine. He is also taking the photo.
