The puppet song!

I move my _____ to the left and right,

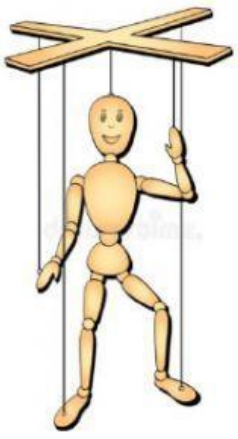

and I dance and I dance and I dance all night!

Because…

My _____ is connected to my arm,

and my arm is connected to my _____,

and my _____ is connected to my wrist.

My _____ is connected to my leg,

and my _____ is connected to my _____,

and my leg is connected to my _____,

And I dance and I _____ and I dance all night!
