

# Magnetic and Non-Magnetic

According to the object choose the correct face.

| Object                                                                                             | Magnetic                                                                            | Non-Magnetic                                                                          |
|----------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------|
| <br>paper clip    |    |    |
| <br>building brick |    |    |
| <br>ruler          |    |    |
| <br>coin         |   |   |
| <br>nail         |  |  |
| <br>scissors    |  |  |

Look at each pair of magnets and select the correct answer.
