REDROOFS

Are you good at maths and science at school? Or do you prefer acting and singing? Can you dance well? Redroofs is a school with a difference: all of its students are talented in the performing arts. Students at this theatre school in the south of England study normal school subjects, including maths, English, science, geography and history but they don't study PE. For half of every school day, Redroofs students study dance and musical theatre, and classes are very energetic! In fact, students at Redroofs can sing and act very well and some students can also compose music or make costumes.
