

DANIEL'S BUSY DAYS

Daniel is a very active 12 year old boy. He likes to stay busy throughout the week.

Every morning he gets up at 7:30 a.m, he gets dressed, and his mom makes breakfast by 8:00. The bus comes at 8:25 and arrives to school by 8:45.

Daniel has school from 9:00 to 2:00 and has lunch at noon. Right after school he has either football, on Mondays and Wednesdays, or swimming practice on Tuesdays and Thursdays.

Practice usually ends by 4, and Daniel gets a ride home from his friend's mom. When he arrives home, Daniel gets his homework done by 6. His mom lets him watch t.v. or play video games for an hour and dinners at 7:30. They talk about their days and then Daniel gets ready for bed. He takes a shower, brushes his teeth, and is in bed by 9 or 9:30 p.m.

Put Daniel's daily routine in order.
