CHORUS

Choose the correct option.

But you didn't have to cut me on/off
Make out like it never happened and that we were something/nothing
I don't even need/meet your love
But you treat me like a dancer/stranger and that feels so bad/rough

No, you didn't have to stoop so loud/low
Have your friends collect your records and then change your number/mother
I guess that I don't need that though
Now you're just somebody that I used to know (x3)

Order the lines.

You said that you could let it go
Now and then I think of all the times you screwed me over
Reading into every word you say
But had me believing it was always something that I'd done
But I don't wanna live that way
And I wouldn't catch you hung up on somebody that you used to know

CHORUS
