

THE COMET

Read the following lines and answer the questions.

Rampaging through the heaven
Never stopping day or night,

a) How does the comet travel?

b) Which word could you replace 'rampaging' with?

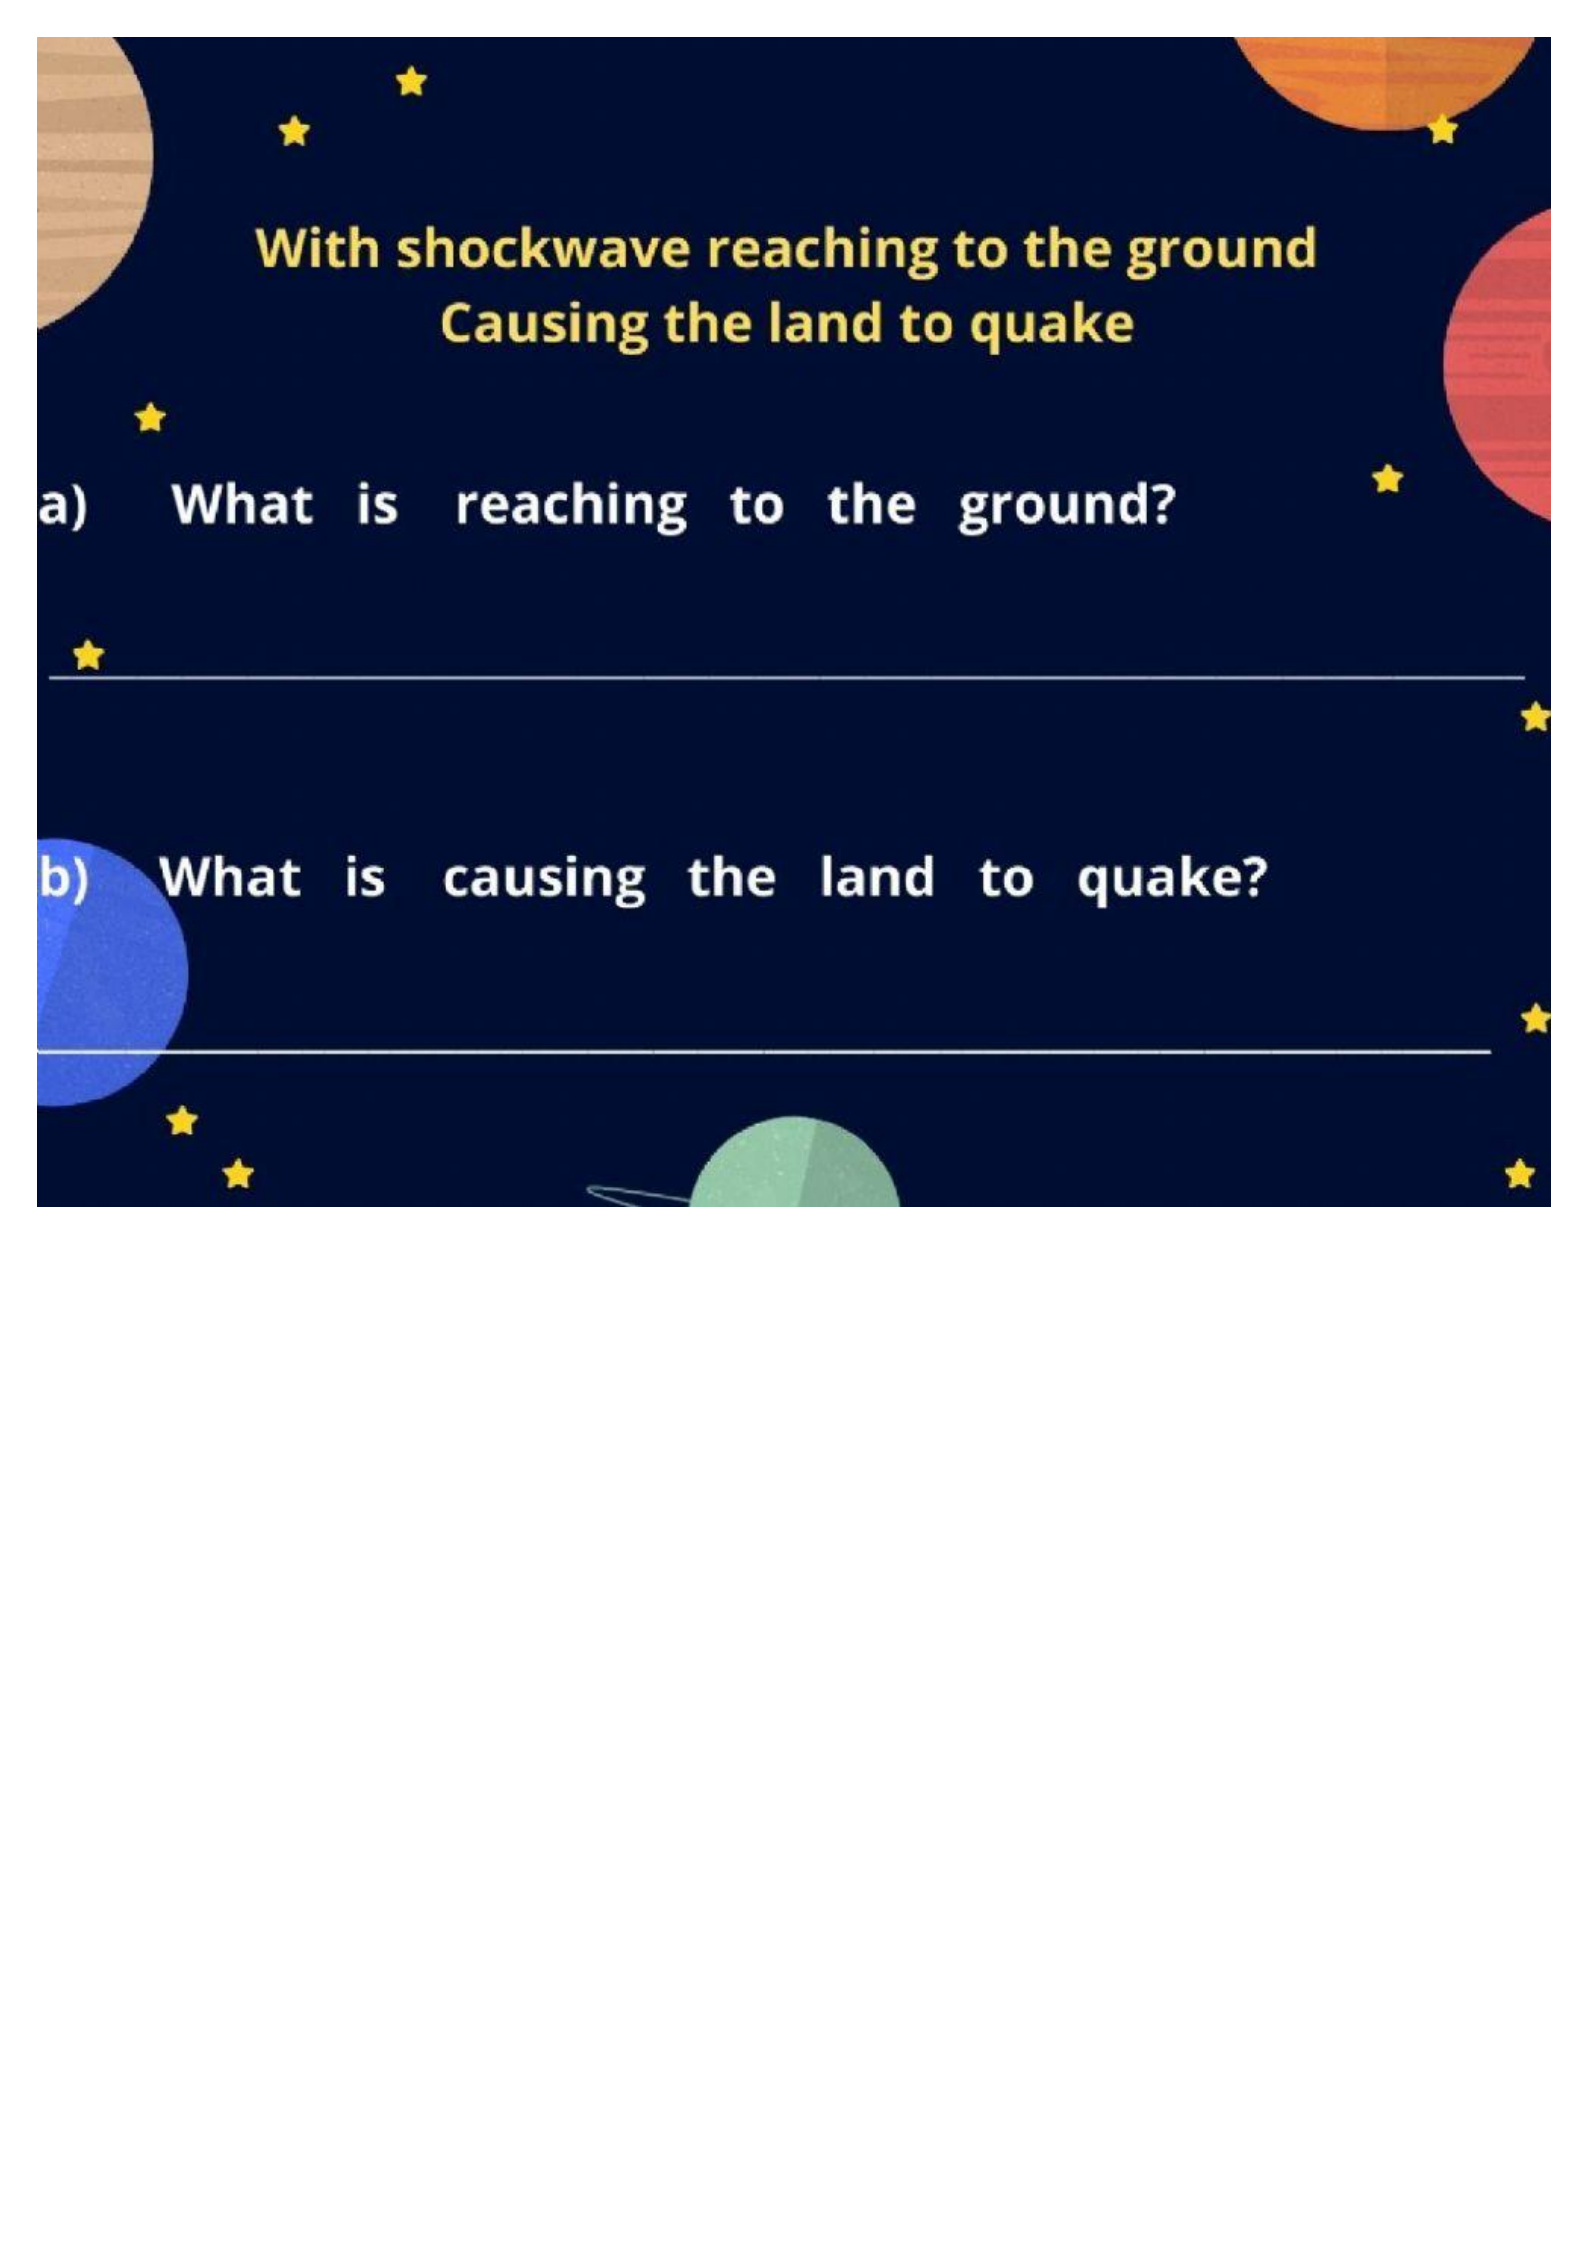

The background is a dark blue space-themed illustration. It features several stylized planets: a large orange planet in the top left, a red planet in the top right, a blue planet in the bottom left, and a green planet in the bottom center. Scattered throughout are numerous small yellow stars. The text is centered in the upper half of the image.

**Faster than a cheetah
With a tail that's miles long,**

a) ★ Why is the comet compared to a cheetah?

★

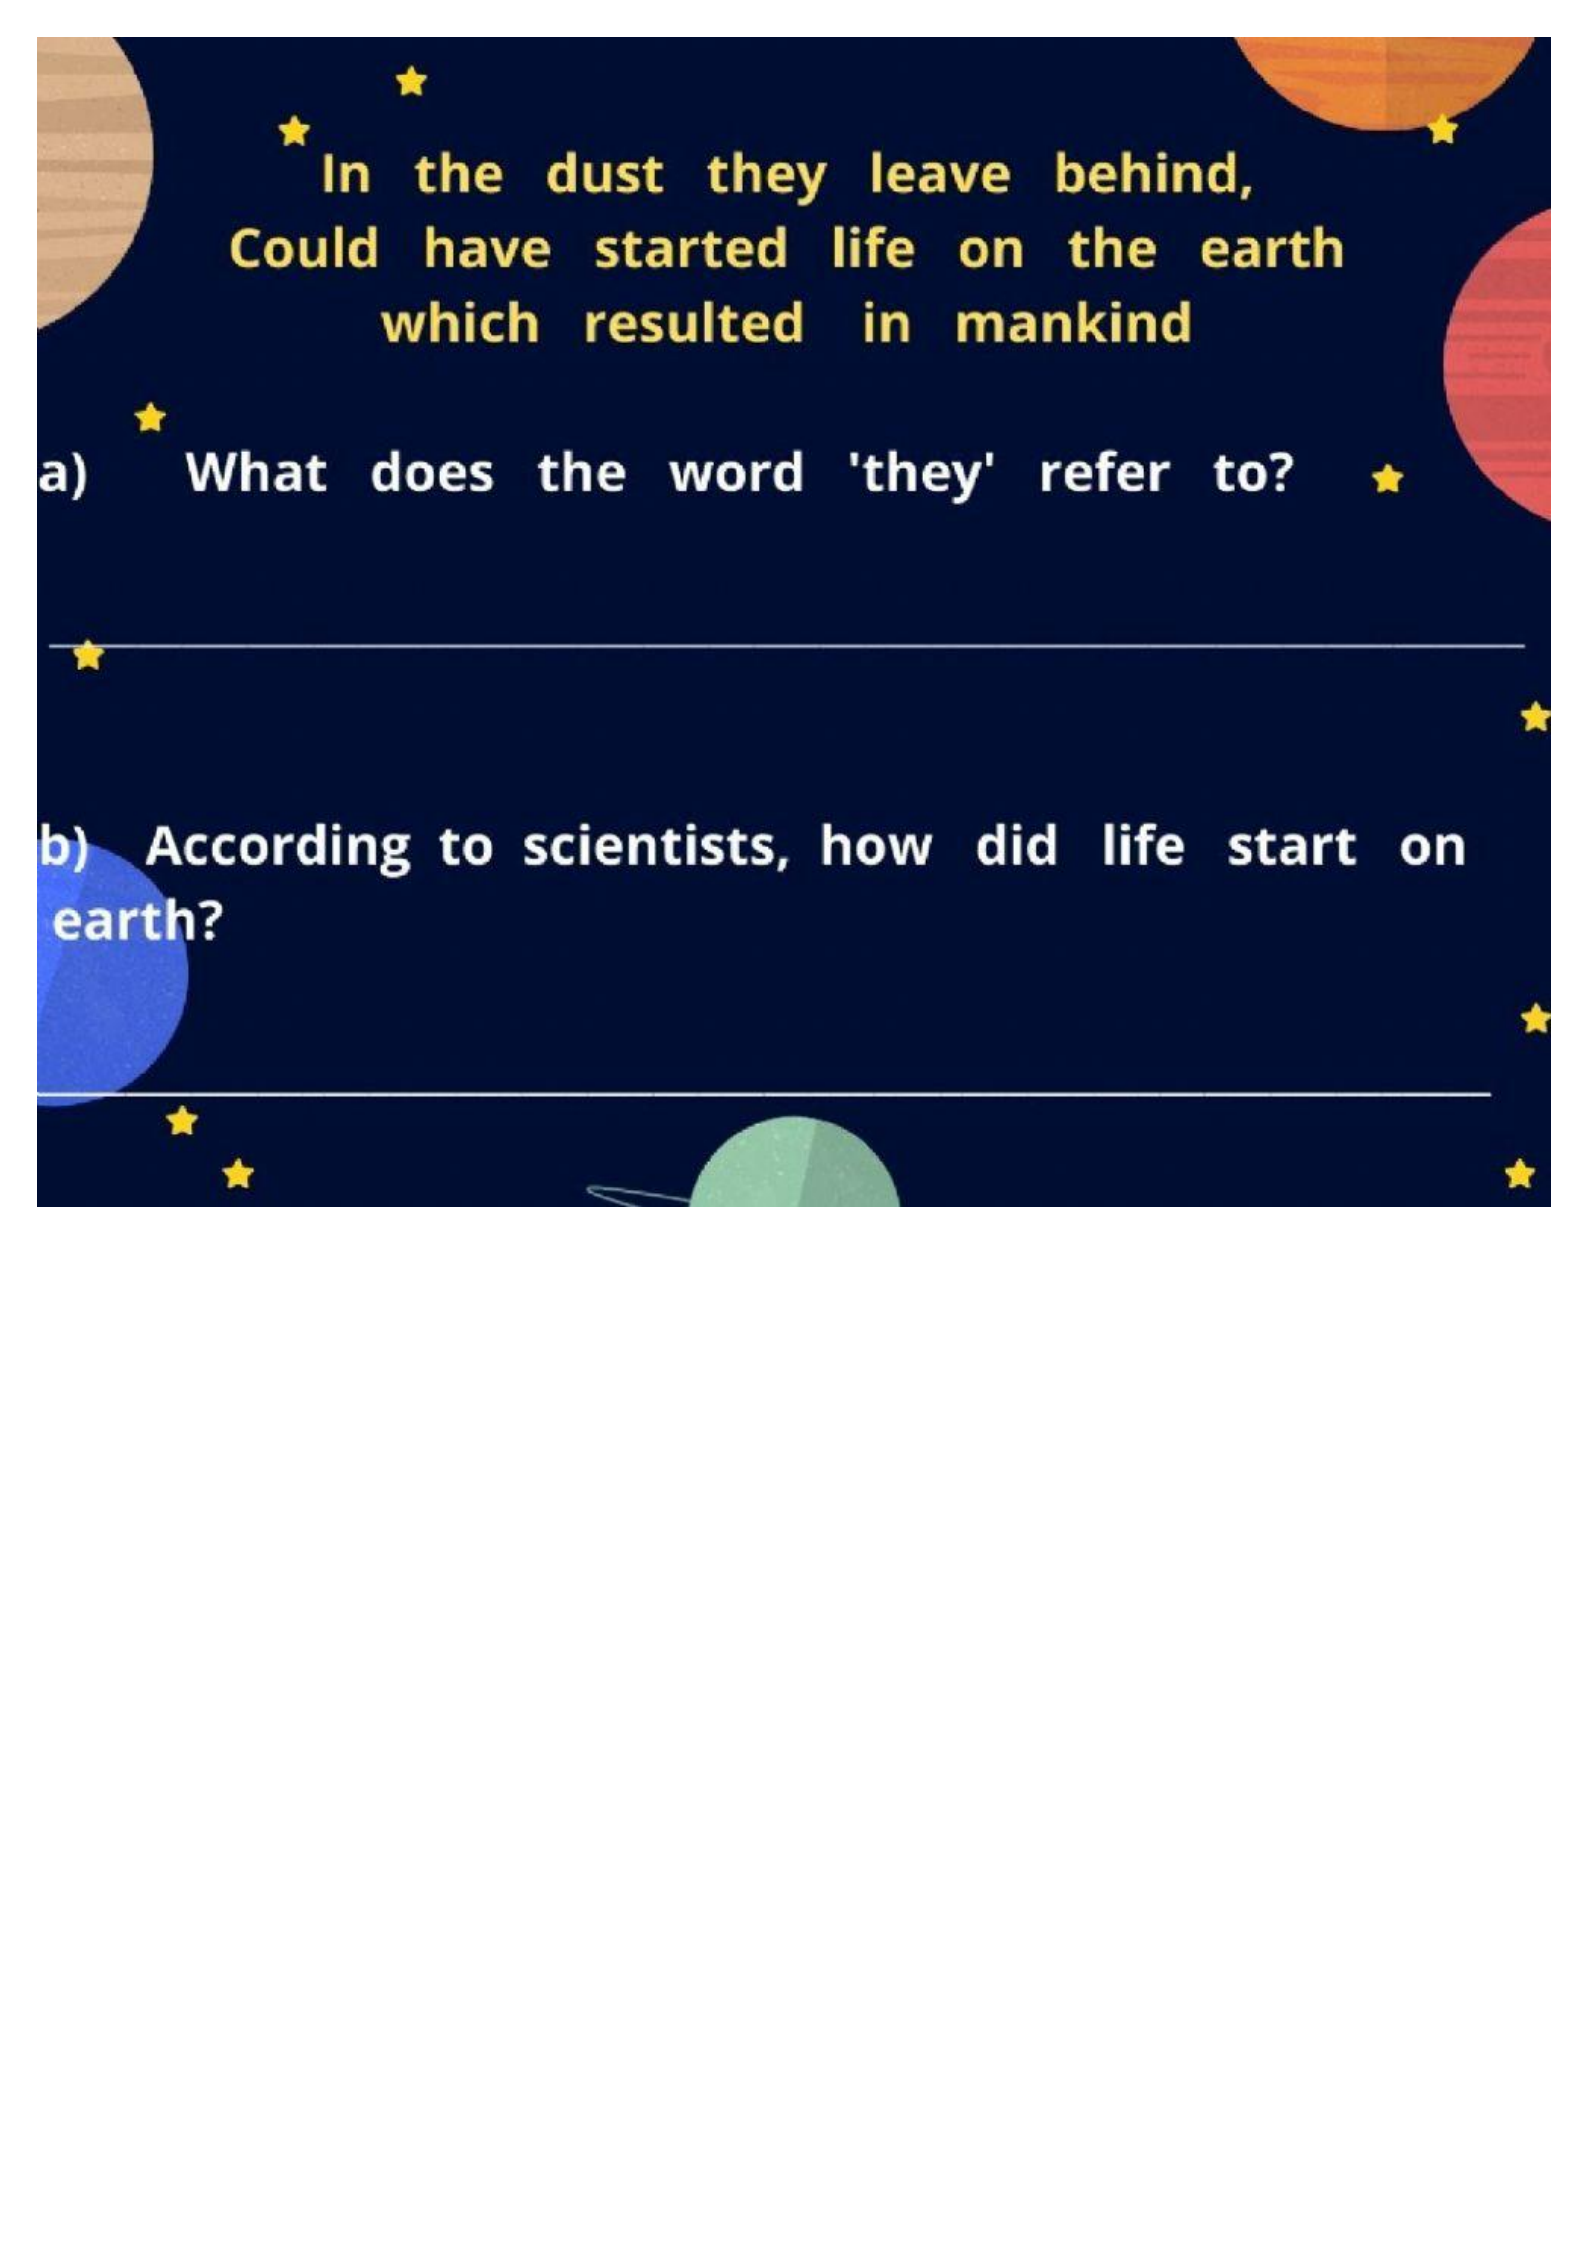

b) Whose tail is compared here?

The background is a dark blue space-themed illustration. It features several yellow stars of varying sizes. There are also large, stylized planets: a brown one in the top left, an orange one in the top right, a red one on the right side, a blue one on the left side, and a green one at the bottom center. The text is centered in the upper half of the image.

**With shockwave reaching to the ground
Causing the land to quake**

a) What is reaching to the ground?

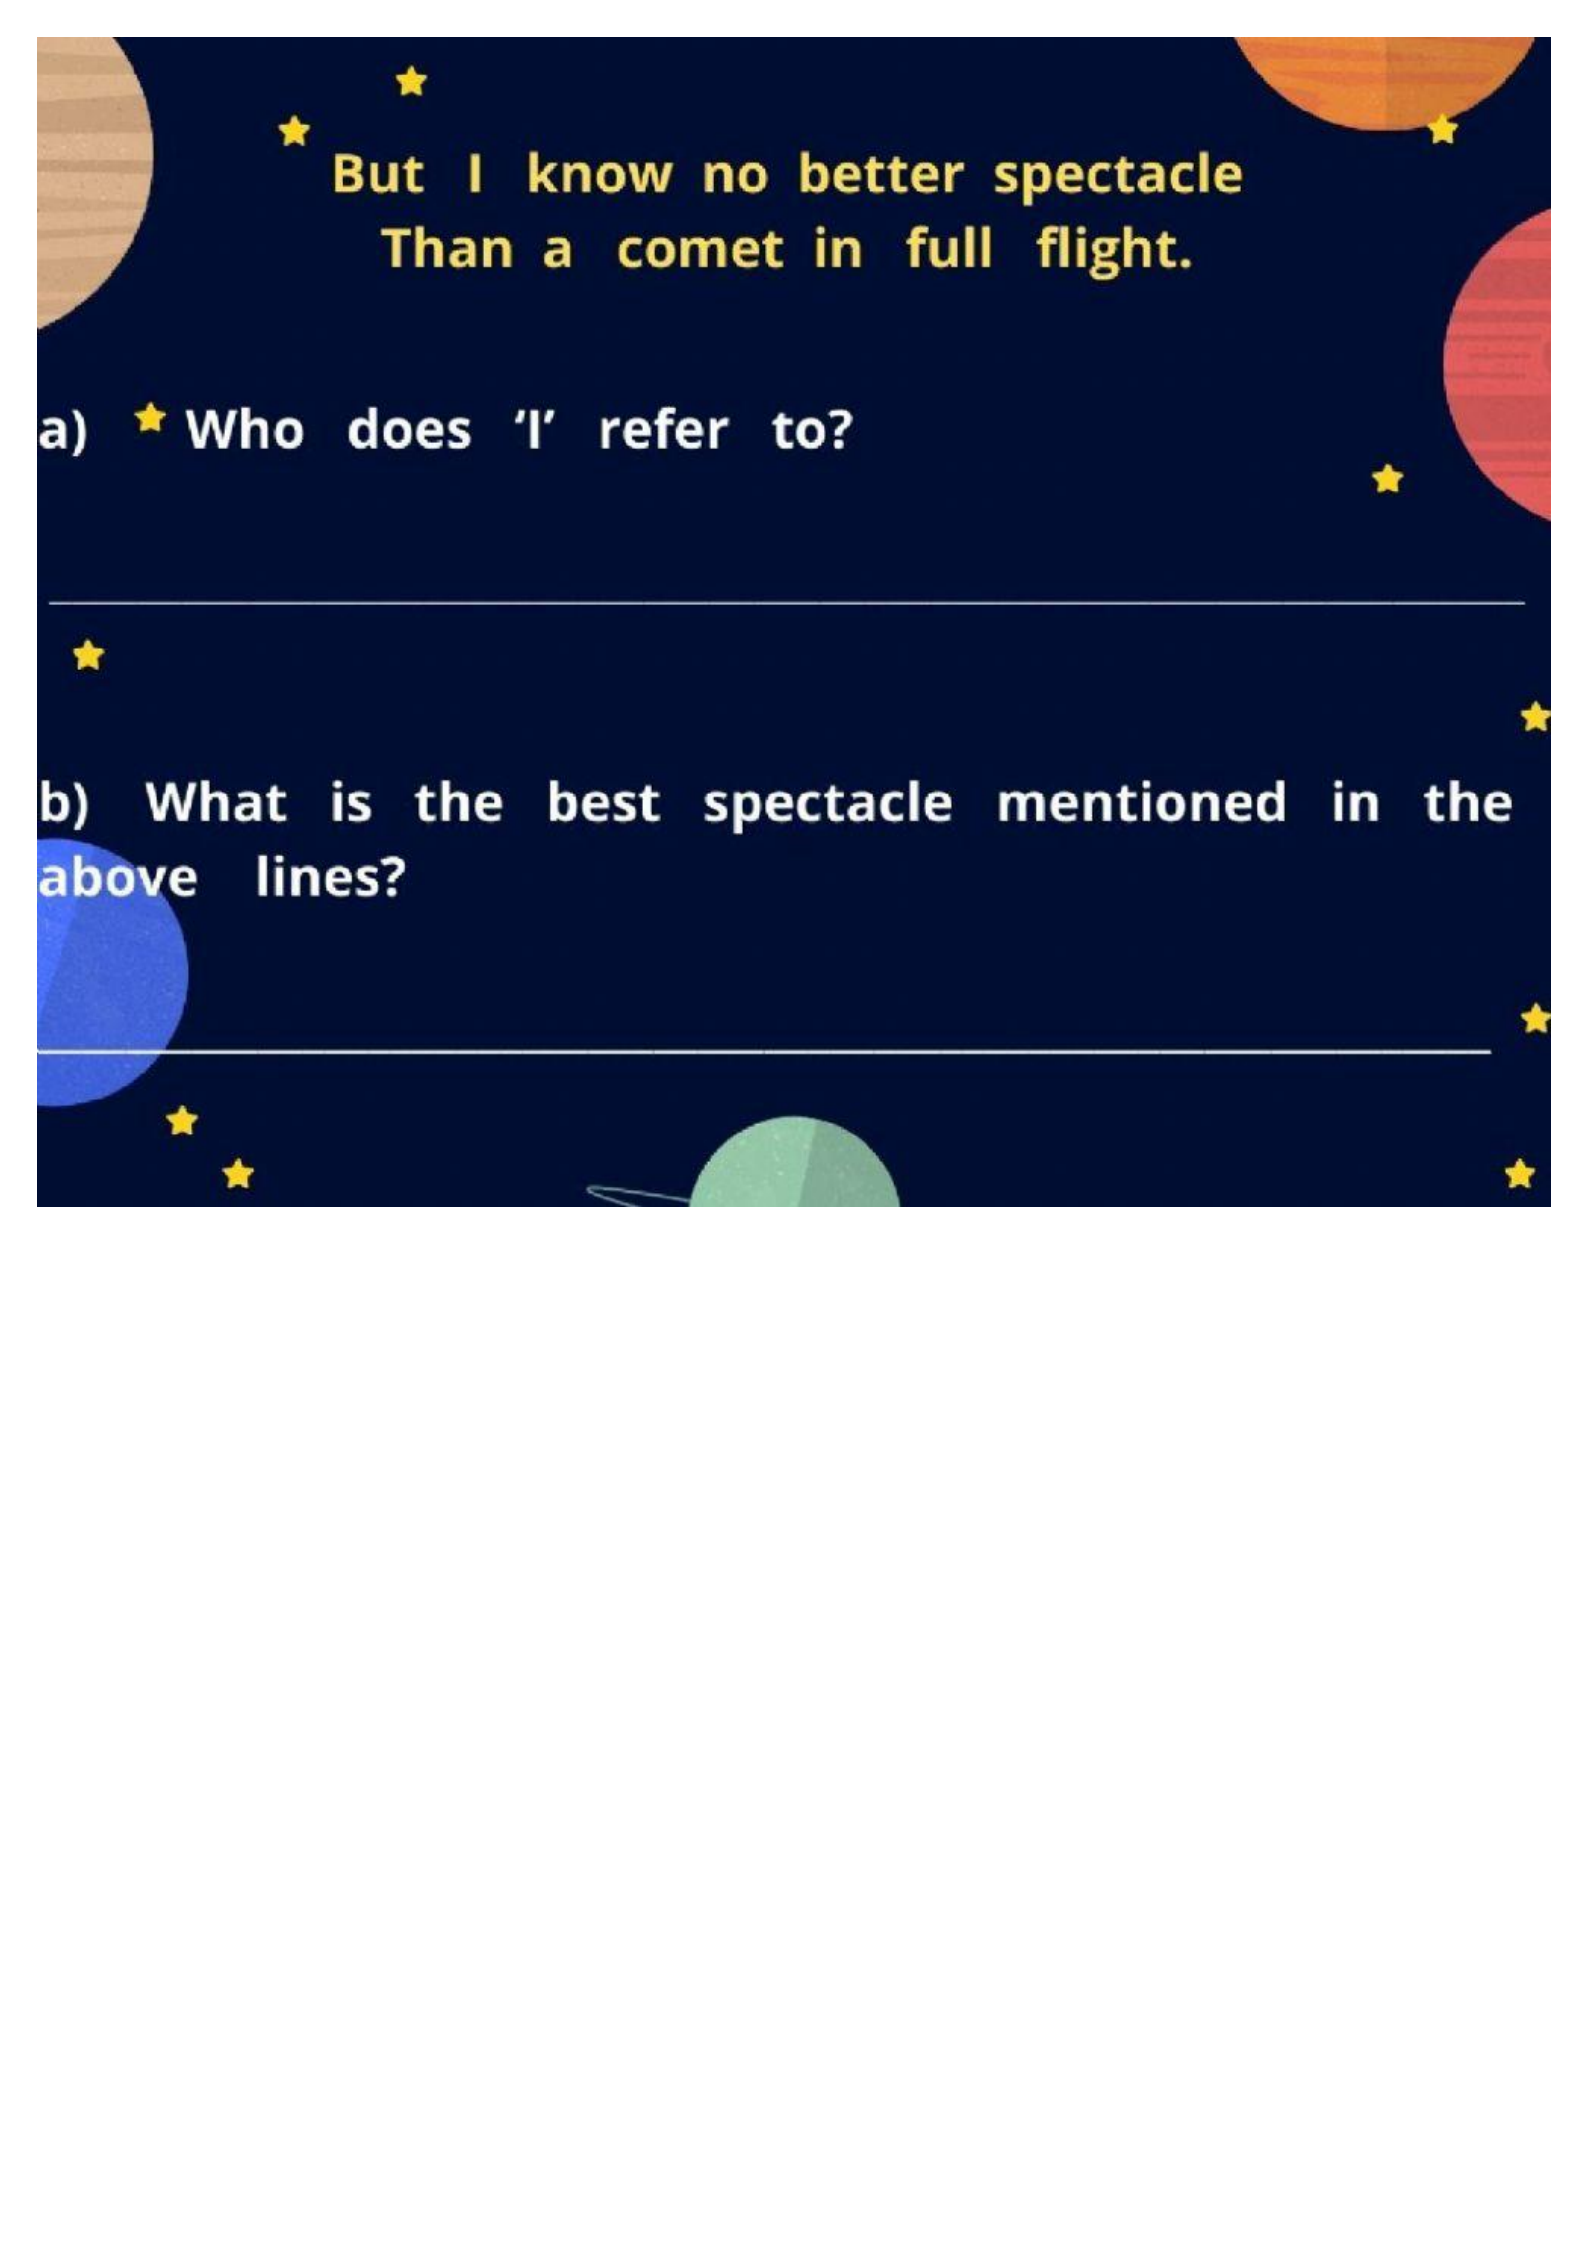

b) What is causing the land to quake?

★
★
In the dust they leave behind,
Could have started life on the earth
which resulted in mankind

★
a) What does the word 'they' refer to? ★

★
b) According to scientists, how did life start on earth?

★
★ But I know no better spectacle
★ Than a comet in full flight.

a) ★ Who does 'I' refer to?

★
b) What is the best spectacle mentioned in the
above lines?
