Charity Weekend

Every year Parkside Youth Club has a charity weekend for Friends of the Earth. This year it's on April 25 and 26. How can you help?

SPORTS EVENT

Can you run five miles? Ask your family and friends for 50 cents for every mile that you run. Maybe you can't run, but can you swim? Ask people for 50 cents for every lap that you swim.

TALENT SHOW

Can you sing or dance? Maybe you can play a musical instrument or juggle. Join our talent show and help to sell tickets.

ART SHOW

Some people can't sing or dance very well but they can draw, paint, or take photographs. Organize an art show at school. Then sell the artwork.

FOOD STAND

Can you cook? Cook a dish for the food stand at the youth club and sell it to your friends.
