Tell me something girl

_____ in this modern world?

Or do you need more?

Is there something else you _____ for?

I'm falling

In all the good times I _____ myself longing for change

And in the bad times I fear myself

Tell me something boy

Aren't you tired trying to fill that void?

Or _____ more?

Isn't it hard keeping it so hardcore?

I _____

In all the good times I find myself longing for change

And in the bad times I fear myself

I'm off the deep end, _____ as I dive in

I'll never meet the ground

Crash through the surface, where they _____ us

We're far from the shallow now

In the sha-ha-sha-ha-low **(x3)**

We're far from the shallow now

Wooaaaah

I'm off the deep end, _____ as I dive in

I'll never meet the ground

Crash through the surface, where they _____ us

We're far from the shallow now

In the sha-ha-sha-ha-low **(x3)**

We're _____ from the shallow now

KEYS:

Tell me something girl

Are you happy in this modern world?

Or do you need more?

Is there something else you're **searching** for?

I'm falling

In all the good times I **find** myself longing for change

And in the bad times I fear myself

Tell me something boy

Aren't you tired trying to fill that void?

Or **do you need** more?

Isn't it hard keeping it so hardcore?

I'm falling

In all the good times I find myself longing for change

And in the bad times I fear myself

I'm off the deep end, **watch** as I dive in

I'll never meet the ground

Crash through the surface, where they **can't hurt** us

We're far from the shallow now

In the sha-ha-sha-ha-low **(x3)**

We're far from the shallow now

Wooaaaah

I'm off the deep end, **watch** as I dive in

I'll never meet the ground

Crash through the surface, where they **can't hurt** us

We're far from the shallow now

In the sha-ha-sha-ha-low **(x3)**

We're **far** from the shallow now
