

ESCUCHA EL SONIDO Y COLOCA EN SU LUGAR

A diagram for a phonics activity. On the left, a teal circle contains the letter 'T'. Two teal arrows originate from the circle: one curves upwards and to the right, and the other curves downwards and to the right. These arrows point towards a grid of five rows. Each row consists of a box containing a vowel (A, E, I, O, U from top to bottom), followed by a teal arrow pointing to an empty box. This setup is designed for a child to listen to a sound and place the corresponding vowel in the correct box to form a syllable.

**TO**  
**TE**  
**TI**  
**TA**  
**TU**
