

My name is John

Hi! Nice to meet you! My name is John Smith. I am 19 years old and I am a student in college. I go to college in New York. My favorite subjects are Geometry, French, and History. English is my hardest course. My professors are very friendly and smart. It's my second year in college now. I love it!

I live in a big house on Ivy Street. It's near the college campus. I share the house with three other students. Their names are Bill, Tony, and Paul. We help each other with homework. On the weekend, we play soccer together.

I have a younger brother. He just started high school. He is 14 years old and he lives with my parents. They live on Mulberry Street in Boston. Sometimes they come to visit me in New York. My Mom always brings sweets and delicious food for me. I am very happy when they come. I really miss them!
