Hi. I'm Rowena. I'm eleven. I live in a small town near the sea. My school is in the middle of the town. I walk to school every day. I like walking. It's ten minutes from my house to school. I go past the library and the bookshop and walk towards the river. There's a bridge across the river. My school is across the bridge and behind the swimming pool.

At the weekends, I go to the beach with my family. In summer, we go camping. I love camping. Sometimes we stay on the campsite all day. Sometimes we go on day trips. We visit castles, museums and parks. My favourite trip is to the National Park near the campsite.

There is a big lake in the middle of the park and you can see lots of beautiful birds. I love watching the ducks. In the evening, we sometimes watch fish swimming in the lake.
