The image shows a screenshot of the Microsoft Word application window. The title bar reads "Document1 - Microsoft Word". The ribbon is set to the "HOME" tab, which is divided into "Clipboard", "Font", and "Paragraph" groups. The "Font" group is highlighted with a red box, and the "Paragraph" group is also highlighted with a red box. The "Font" group contains options for font face (Times New Roman), font size (12), bold (B), italic (I), underline (U), and color. The "Paragraph" group contains options for bullet points, numbering, indentation, and alignment. The "Paragraph" group is further divided into "Bullets", "Font Style", "Font Type", "Font Size", and "Alignment". The "Bullets" group contains a blue box. The "Font Style" group contains a blue box. The "Font Type" group contains a blue box. The "Font Size" group contains a blue box. The "Alignment" group contains a blue box. The text "Hello World" is visible in the document area. The status bar at the bottom shows "Page: 1" and "Words: 10".
