

NAME

Subtraction

Use the number-line to find the answers to the subtraction exercise below.

$$3 - 1 = \square$$

A number line from 0 to 6. A red dot is at 3. A dashed curved arrow starts at 3 and points to 2.

$$5 - 2 = \square$$

A number line from 0 to 6. A red dot is at 5.

$$3 - 2 = \square$$

A number line from 0 to 6. A red dot is at 3.

$$6 - 3 = \square$$

A number line from 0 to 6. A red dot is at 6.

$$5 - 1 = \square$$

A number line from 0 to 6. A red dot is at 5.

$$6 - 4 = \square$$

A number line from 0 to 6. A red dot is at 6.
