A. Scan the text and give short answers to the questions on the right.

Friday 13th September

What a day! My alarm clock didn't ring so I overslept. I woke up at ten o'clock with a terrible tooth-ache. I suddenly remembered I had an appointment with the dentist at quarter past ten. I ran out of the house and down the street. Then I saw some girls laughing at me.

I looked down. I was still in my pyjama trousers. I ran back home, but then I found I didn't have my keys. I couldn't open the door. I got a ladder from the garage and started to climb up to my bedroom window. But the ladder was very old and it broke. I fell off and broke my leg. Now I'm in hospital. My tooth still hurts and my leg hurts, too!
