

# LINCOLN SCHOOL

Phonics Class

## PREFIXES 3<sup>rd</sup> Grade

Name: \_\_\_\_\_

Prefixes are added to the beginning of root or base words. When you add a prefix to a base word, you change the word's meaning.

Some common prefixes and their meanings:

**re--**again, back

**dis--**not

**pre--**before

**un--**not, opposite

**mis--**wrong

**under--**below

Directions: Write the correct prefix next to each base word.

_____play	to play again
_____age	below age
_____print	to print incorrectly or wrongly
_____able	not able
_____heat	to heat before
_____wind	to wind back or again
_____honest	not honest
_____treat	to treat wrongly or badly
_____tied	not tied
_____water	below the water
_____happy	not happy
_____view	to view before
