

Three Little Birds

Maroon 5

Don't about a thing
'Cause everything is gonna be
Don't about a thing
'Cause every thing is gonna be, oh

..... up this morning
Smiled with the rising
Three little
By my doorstep
Singing songs
Of pure and
Saying: This is my to you

Singing: Don't about a thing
'Cause everything is gonna be
Don't about a thing
'Cause every thing is gonna be, oh

..... up this morning
Smiled with the rising
Three little
By my doorstep
Singing songs
Of pure and
This is my to you

Singing: Don't about a thing
'Cause everything is gonna be
Don't about a thing
'Cause every thing is gonna be, oh

Don't about a thing
'Cause everything is gonna be
Don't about a thing
'Cause every thing is gonna be, oh

**sun – birds – melodies – little -- message -- true -- alright--
sweet -- rise -- worry**
