Dear Ann,

Just a few words about my new flat, I **refurbish** it and then you must come to see it. Next week I **paint** the kitchen.
I have decided that I **paint** it light green.
I am not sure if my parents **like** it, but they are not living with me, so I suppose they **have** nothing against it.

I have to go now but make sure I **let** you know about everything!

Cheers,
Catherine
