### **Weird Conversation Starters**

1. Time freezes for everyone but you for one day. What do you do?
2. If you could call up anyone in the world and have a one hour conversation, who would you call?
3. You have to relive one day of your life forever. Which day do you choose? What happened?
4. What does your own personal hell look like? How about your own personal heaven?
5. You find a remote that can rewind, fast forward, stop and start time. What would you do with it?
6. If you could live somebody else's life, whose life would you choose?
