Now, let's make pop corn

Popcorn is something you often eat when you watch a movie at the cinema. It is very easy to make perfect popcorn if you follow the correct process. I will outline below.

The first step is that three tablespoons of oil (put) in a large pot. Next, the pot (place) on the stove and the oil (shake) until the corn pops. Then the pot (remove) from the stove, which (turn off). Finally, the popcorn (empty) into a large bowl, where melted butter and salt (add).

In summary making popcorn is very easy if you follow the steps above. Enjoy your movie and your popcorn
