Then they noticed that Mark wasn't with them anymore. The rest of the group was so scared, they thought the worst. Suddenly they began to hear more screams and this time it seemed Mark's voice.
When the screams stopped the whole group went out to look for him with flashlights. But they did not know what awaited them. Mark's lifeless body was prostrated on a stone, they couldn't believe it. Next to him was engraved in a stone this warning: RUN.
