BON JOVI

prescribe	fever
paramedic	needle
a pill	
symptoms	found
medicine	
respirator	cure

Your love is like bad medicine

Bad medicine is what I need, whoa

Shake it up just like bad medicine

There ain't no doctor that can \_\_\_\_\_ my disease

Bad medicine

I ain't got a \_\_\_\_\_, got a permanent disease

And it'll take more than a doctor to \_\_\_\_\_ a remedy

I got lots of money but it isn't what I need

Gonna take more than a shot to get this poison out of me

And I got all the \_\_\_\_\_ count 'em one, two, three

First you need (that's what you get for falling in love)

Then you bleed (you get a little but it's never enough)

And when you're on your knees (that's what you get for falling in love)

Now, this boy's addicted 'cause your kiss is the drug, whoa

Your love is like bad medicine, bad medicine is what I need, whoa

Shake it up just like bad medicine

There ain't no doctor that can cure my disease

Bad, bad medicine

I don't need no \_\_\_\_\_ to be givin' me a thrill

And I don't need no anesthesia or a nurse to bring \_\_\_\_\_

I got a dirty down addiction that doesn't leave a track

I got a jones for your affection like a monkey on my back

There ain't no \_\_\_\_\_ gonna save this heart attack

When you need (that's what you get for falling in love)

Then you bleed (you get a little but it's never enough)

And when you're on your knees (that's what you get for falling in love)

Now, this boy's addicted 'cause your kiss is the drug, whoa

Your love is like bad medicine, bad medicine is what I need, whoa

Shake it up just like bad medicine

So let's play doctor, baby, cure my disease

Bad, bad medicine

Is what I want

Bad, bad medicine

Ow, it's what I need

I need a \_\_\_\_\_ 'cause I'm running out of breath

But you're an all-night generator wrapped in stockings and a dress

When you find your \_\_\_\_\_ you take what you can get

'Cause if there's something better, baby, well they haven't \_\_\_\_\_ it yet

Whoa

Your love is like bad medicine, bad medicine is what I need, whoa

Shake it up just like bad medicine

There ain't no doctor that can cure my disease

Your love, bad medicine

Bad medicine is what I need, whoa

Shake it up just like bad medicine

Your love's the potion that can cure my disease

Bad, bad medicine

Is what I want

Bad, bad medicine

Ooh baby, ooh baby

Bad, bad medicine (I gotta, I gotta, I gotta, I gotta)

I gotta, I gotta

I gotta do it again, wait a minute, wait a minute

Hold on

I'm not done

One more time

With feeling

Come on

Help me out now

Your love is like bad medicine

Bad medicine is what I need, whoa

Shake it up just like bad medicine

You got the potion that can cure my disease

Your love, bad medicine

Your kiss is what I need

Your love, bad medicine
