My experiences by James

- 1 I like eating most things. I have eaten frogs' legs,
- 2 but I have never eaten insects. I would like to try
- 3 them one day. The most interesting food I have ever
- 4 eaten is sashimi - raw fish from Japan. It was weird, but
- 5 delicious.
- 6 I have been bungee jumping a few times. The first time
- 7 was my fourteenth birthday. I think skydiving is like
- 8 bungee jumping, but it lasts longer! I would like to try
- 9 it one day.
- 10 I have dyed my hair three times, but I have not had a
- 11 piercing. My cousin Elena has had three. She had one
- 12 in her nose last week. I do not like it. I have never
- 13 had a tattoo, but when I am older, I would like a
- 14 small one.
- 15 I live in the U.S., and I love traveling. I have traveled
- 16 to many places in the U.S. I have also been to Paris
- 17 and Rome. I am saving my money to go to Chile. I
- 18 want to improve my Spanish there.
