▶ Listen and match.

a

Now there's water from the tap.

In the Old Days

Life one hundred years ago
Was different, you see.
¹ There were no computers,
² And there was no TV.
Life was different in the old days.
Life was different in so many ways.
³ Children used to get water
From pumps or wells outdoors.
Now we just turn on the tap,
And out fresh water pours!
Chorus
Life was so much slower!
⁴ Few people had a car.
⁵ Children used to walk to school,
And they walked very far!
Chorus
