Listen to the song carefully and fill in the gaps with the adjective of the words in the box.

The Logical Song (Cover by At Vance)

When I was young, it seemed that life was so _____
A miracle, oh it was _____, _____
And all the birds in the trees
Well, they'd be singing so happily
Joyfully, playfully watching me

But then they sent me away to teach me how to be
_____
_____, _____, _____
And then they showed me a world
Where I could be so _____
_____, _____, _____

CHORUS
There are times when all the world's asleep
The questions run too deep for such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd, please tell me who I am, who I am

Now watch what you say, or they'll be calling you a
_____
_____, _____, _____
Won't you sign up your name
We'd like to feel you're _____
_____, _____, vegetable

CHORUS
At night when all the world's asleep
The questions run so deep for such a simple man
Won't you please, please tell me what we've learned
I know it sounds absurd, please tell me who I am
Who I am, who I am, who I am
