The sunlit clouds drifted across the clear blue sky. The scent of fresh flowers tickled my nose. I was feeling exhilarated as my class and I are out on a school trip to the public park. Our Teacher, Ms. Gretel wants us to learn all about gardening. As the palm trees gently swayed in the wind, we trooped as a single file behind Ms. Gretel to meet the gardener, Mr.Han. Mr. Han was as tall as a tree and wore big black gloves. He takes care of all the plants, shrubs and trees in the park. He has

1. \_\_\_\_\_ and whatever he grows thrives. We were given a pair of
2. \_\_\_\_\_ to help cut away dead branches and trim the shrubs.

We immediately got to work and started cutting off dead branches to allow the shrubs to grow new ones in their place. It was like giving a hair cut to a bush. Mr. Han has an incredible talent, he can shape bushes into any kind of shape. He is a specialist in 3. \_\_\_\_\_ art. "What shape do you want?" Mr. Han asked us. "A monkey! A rabbit! A cat!", everyone was squealing out all kinds of animals. He suddenly turned to me and asked what I wanted. "I'd like an elephant with ginormous ears," I shyly said. Immediately, he got to work, 4. \_\_\_\_\_ away like an expert. Snip, snip, snip went the shears. Then, he turned around to show his handiwork. My eyes widened with surprise. It was indeed a bush shaped like an elephant with ginormous ears! "Wow!" squealed everyone in delight. I felt proud as a peacock as it was my idea. "Now children, the next task is very important. There

are some *green villains* growing among us. They are called weeds and they steal the food and water from our garden plants. Therefore, it is important we pull weeds or they will destroy the garden!" Mr. Han announced. Without hesitation, we went on a hunt to find the weeds growing among the plants. For the next hour, we continued 5. \_\_\_\_\_ until all the green villains disappeared. It was a back-breaking task! Phew! As a reward, Mr. Han gave us each a flower

6. \_\_\_\_\_ so we can plant anything we wanted and have our own mini garden. By now, I was less shy and asked him for some tips as I was really bad at growing plants. I have 7. \_\_\_\_\_ With a big smile, Mr. Han advised, "Sunlight, water and fertilizer!"

Happy to receive his pearls of wisdom, I bid him goodbye and we went home. I admired Mr. Han and promised I will become so good at gardening that I too will have green thumbs!
